

Blister Clip

The blister clip serves as a holder for blister bags and blister cards and was developed for use in WIEGAND distribution trays.

Advantages:

- Blister bags can be easily threaded
- Secure hold in WIEGAND distribution trays
- Practical labeling field (dimensions: 63 x 9 mm)
- Space-saving use in the distribution tray
- Also suitable for use with blister cards

Technical Data	
Item No.	300.201-25
Dimensions	70 x 25 mm
Material	PP
Cleaning	Dishwasher safe
Country of origin	PRC

Comparison:

	
Blister Clip	Holder for blister bags or Label holder for stock labels
300.201-50	500.240XO.075
70 x 25 mm	75 x 40 mm
